of the latter's retirement, and made a few appropriate remarks.

3. Processing of Requests to Remain Employed After Marriage to an Alien

Mr. Wattles discussed Colonel White's memo of 9 May 1968 to the Deputies on this subject, noting that copies of the memo have been sent to Office Heads. It was emphasized that papers submitted on a case must be sent to the DCI 120 days prior to the proposed date of marriage or otherwise as soon as known. Current policy also requires that papers must be sent to the DCI within two weeks of their receipt in Headquarters; in order to meet this deadline, papers must be kept moving through the chain of command to the Office of Personnel. The Office of Personnel is considering requiring field stations to send field checks along with the papers in order to speed up security processing, and may propose publication of some sort of a notice to remind Agency personnel of the handling requirements for these requests. Mr. Coffey commented that the future plan for utilization of an employee must be carefully laid out if the career service wishes to retain the employee after marriage.

4. SIPS Briefing Papers

25X1 [REDACTED] passed out copies of the briefing paper that was used in briefing PPB. The briefing was apparently well received by John Clarke. Discussions are underway aimed at regularizing the Support Services Staff with a suitable table of organization, etc.

b. Mr. Wattles:

The new look at the CT Program for 1970 is continuing with the possibility that the Clandestine Services may be proposing a total moratorium on CT intake for one year.

The General Counsel to the Civil Service Commission has prepared some guidance with respect to the Poor People's March: employees may participate on an annual leave basis under the normal rules for the taking of such leave; if arrested they will be held responsible for their conduct; no Poor People's March literature may be distributed on Agency grounds nor posted on Agency bulletin boards, etc. Mr. Coffey asked that a copy of this guidance be made available for Mr. Bannerman and suggested that copies be distributed to the Deputies.
